

Remarks

This Preliminary Amendment amends claims 3-9 and 19-21 and adds without prejudice new claim 30 in the underlying PCT Application No. PCT/US03/06459. The amended claims and new claim conform the claims to United States Patent and Trademark Office rules and do not add any new matter to the application.

Applicant asserts that the subject matter of the present application is new, non-obvious, and useful. Prompt consideration and allowance of the application are respectfully requested.

Respectfully Submitted,

KENYON & KENYON
